Minutes for October 2009 Meeting

Date: October 8, 2009

Present: Chris Diehl, Cindy Cappel, Carla Abernathy, Sandy Trudell, Pat Garner, Deanna McDaniel, Angela Smith, Debbie O'Laughlin, Robin Bartley

Old Business: (Oops. We Forgot). Everyday make a list of three tasks that you will accomplish that day. We will talk about how this worked for each of us in November.

New Business:

Congratulations to Grandma Pat. On October 6th, beautiful baby girl, Carson Lane was born.

Christians are like pumpkins. God cleans out all the gook. Pumpkin Trivia.

Learning How to Learn. If you do not understand the meaning of even one word an entire lesson could be lost to you. Keep a dictionary nearby. If you see a word and you are unsure of its meaning, look it up. Use the correct context of the word in several sentences. Then go back to the lesson at the place where the word occurred. This process of understanding must occur before you are able to continue learning.

Marriage. Each partner should hold marriage in honor and esteem the relationship as worthy and precious. They should treat each partner as being very valuable.

Leadership Chart. Chart your skill level in a variety of leadership characteristics. See what areas you are strong in and which ones need to be developed.

Fall trail ride date set for November 14th at Cappel's. Nice option of a walking trail for anyone who does not want to ride or does not want to trailer their horse. (Watch for flyer coming soon.)

Planning for next year. We all agree that this monthly girl's night is special. We would also like to learn more things. Horses and praying were two suggestions for topics.

Prayer requests and prayer time.

Coming Next Month: Horses, Horses, Horses – What do I do now? What is the next step with my horse? What are circles (ground driving) supposed to look like? How do I know my horse is ready to ride? Tell me about the next step in achieving collection?

REMEMBER: Bring your gray sweatshirt to Cindy so it can be embroidered with HOH logo.
